

WICKED AURA

ALYSSA

There is a light that comes after a long dark night....

Alyssa

Serenity and grace lay still in time
A name that speaks so gentle and divine
Love with light and dance insane
Walk with fire and own thy name
In the sun

Alyssa

On fields of love and wonder you will graze
Let nothing put asunder, our sweet embrace
Whisper rain and live with thunder
Never your grace shall falter
In the sun

So we'll let it begin

Deep from somewhere within
Melodies that I hear
Will be songs that you sing
Ease the weight of despair
With the lightness of air
All the dreams that you dare
Will be ones that we share

Alyssa

Like the verses of a prayer etched in time
So soothing and so tender, so divine
Now we're found
You and I
Alyssa
