The wickedboys say!

We're da beat, we da rythm, we da rock and were rolling,  
Funky fresh cuts and that wicked aura kicking in,  
The swing and the rhythm and the, groove that soothes when ya  
Start to move and ya, loose your blues.  
So shut the radio down were takin over.  
Not a new sound but damn we got flavor.  
Everybody give the drummer some.  
Now ladies, shake your rump.

### Chorus

Wicked aura batucada's got it goin on,  
Were keepin it real and were keepin it strong.  
Incredible posse with da radical noise,  
Batucada - the drug of choice.  
Mixin it up with da asian flavor,  
Java, australia, france, brasileiro mama afrika.  
We rumble in the streets as we do in da jungle.  
Everybody holler!
